

DRAFT JOB DESCRIPTION & SPECIFICATION

JOB TITLE:	FINANCIAL PARTNERSHIP MANAGER
DEPARTMENT:	Financial Life Goals Centre (FLGC) - Jamaica
SUB-SEGMENT:	Portfolio Consolidation Sub-segment
REPORTS DIRECTLY TO:	Manager, Client Partnership
IMMEDIATE REPORTEES:	Not Applicable

SCOPE OF JOB:

- The primary responsibility of the Financial Partnership Manager (FPM) is to deepen financial partnerships with clients by leveraging their expertise and the expertise of the wider JMMB Group to support clients in the Consolidation phase of their financial lifecycle to achieve their financial goals.
- Provide Financial Planning advisory and Portfolio Management services to designated and potential High Net Worth (HNW) and other suitable Clients to assist in meeting their respective financial life goals, as well as to retain and deepen wallet share at JMMB.
- Create Client's Investment Policy Statements (IPS) and Financial Goal Plans (FP) and facilitate the implementation of action plans.
- Serve as channel for new business development, including referrals within the JMMB group
- Promote JMMB's philosophy of the Vision of Love and its unique culture.
- Engage in the transformation process for the continuous improvement of JMMB and its associated companies.

EDUCATION, TRAINING & WORK EXPERIENCE REQUIRED:

- First Degree in Management, Finance, Economics, Accounting or Banking.
- Strong quantitative and analytical skills.
- Licensed by the Financial Services Commission (FSC), or eligible for licensing.
- In-depth knowledge of credit policies and guidelines and financial sector instruments, laws, and regulations.
- Certification in JMMB's Financial Planning Services (FPS).
- Intimate knowledge of the local financial market operations, with exposure to international money markets would be a distinct asset.
- In-depth knowledge of financial and credit analysis, to include the preparation of credit proposals, and loan disbursement processes.
- Effective communication and presentation skills to articulate financial insights to diverse stakeholders.
- Proficiency in Microsoft Office Suite.
- Minimum of five years' work experience in a similar capacity directly providing investment advisory and credit services and a proven track record in sales, relationship, and portfolio management.
